

Bicyclists,

This email updates and supersedes information sent to you previously about the Sunday morning, July 5 official opening of the Ford Point Bay Trail segment combined with a Bay Trail Bike Brunch Bash benefitting Lance Armstrong's [LiveStrong Foundation](#). As described at <http://craneway.com/livestrong/>, bikers may arrive at any time between 8 AM and 2 PM to participate in the benefit ride. The Bay Trail ribbon-cutting ceremony will begin at 9:30 AM. The new [BoilerHouse Restaurant](#) will be selling brunch from 8 AM to 2 PM to be served in the spectacular [Craneway of the historic Ford Assembly Building](#).

As shown on the attached map, this Bay Trail segment connecting Lucretia Edwards Park with Harbour Way South closes the last gap in the Bay Trail between Albany and Point Richmond.

TRAC, the National Park Service and Orton Development would appreciate your help in getting the word out broadly. The goal is to have 1,000 bikers arrive from throughout the Bay Area. The [Bay Trail Bike Bash Brunch website](#) will be updated as more details are firmed up. In the meantime, please spread the word on your websites and in your newsletters, email lists, etc. Thanks very much.

Bruce
